SUMMER HOLIDAYS ASSIGNMENT

Dear Parents

Summer Vacation is here to give respite from sweltering heat. It is time to relax, pursue hobbies and spend time with dear ones. You also utilize this time to gainfully engage your child in meaningful activities. Keeping this in mind we have planned few activities to keep kids engaged, channelize their energy and promote independent learning. Kindly help and guide your child to complete the work.

Here are a few suggestions for the parents :-

***Make sure that you are spending quality time with your ward.**

***Giving them small responsibilities in household chores will make them independent.**

***Teach them the importance of moral values in their life. Motivate them to read good books.**

***Encourage them to do one handwriting page each of English and Hindi daily.**
