Subject: Problem of Stray Animals in the Locality

Sir

Through the columns of your esteemed newspaper, I wish to draw the attention of the concerned authorities towards the increasing problem of stray animals in our locality.

Stray dogs and cattle roam freely on the roads, causing traffic jams and accidents. They also create unhygienic conditions and scare children and elderly people. Many residents have already faced injuries due to these animals.

The municipal authorities should take immediate steps to shift stray animals to shelters and ensure proper vaccination and cleanliness drives. Awareness campaigns should also be organised for pet owners.

I hope the concerned authorities will take prompt action regarding this serious issue.

Yours sincerely  
Simran / Sameer
