### **Section-E**

#### **ANSWER THE FOLLOWING (40-50 WORDS) SA**

#### **7.What were the duties of the Iqtadars?**

Ans. Iqtadars were the military commanders who were appointed as governors of territories. They were often shifted from one iqta to another. They performed many duties, some of them are as follows.

- 1.They were expected to lead military campaigns, to crush rebellion or to conquer territories.
- 2.They were also responsible for maintaining law and order in their iqtas.

3.The iqtadars were not paid salaries, so they had to collect revenue from their areas and from this money pay their soldiers. They could keep the rest for themselves.

**8.Why do astronauts wear special protective suits when they go to the moon?**

Ans.Astronauts have to wear special protective space suits filled with air when they go to the moon. If they did not wear these space suits, the counter pressure exerted by the body of the astronauts would make the blood vessels burst. The astronauts would bleed.

**Section-F**

**ANSWER THE FOLLOWING IN DETAIL (80-100 WORDS) LA**

**9.What do you understand by the term ‘all persons are equal before law’? Why do you think it is important in democracy?**

Ans.’All persons are equal before law’, means each and every person, that is from the President of the country to the domestic workers, should be treated equally and have to follow the same laws. The Indian constitution recognizes every person as equal which means that every individual whether male or female from all castes, religions, tribes, educational and economic backgrounds should be considered equal.

Equality is important in democracy as democracy is the government of the people, by the people and for the people. Equality influences all aspects of democratic functioning.
