**5. The Earth works on a schedule, guiding us to schedule our life too. Do you work according to a schedule? How? Explain by giving examples.**

Ans- Open ended answer

**6. Why do areas near the Tropic of Capricorn receive more light on 22 December?**

Ans. On 22 December, the Tropic of Capricorn receives direct rays of the sun as the South Pole tilts towards it. As the sun's rays fall vertically at the Tropic of Capricorn, so the Tropic of Capricorn receives more light on this day.

**7. 'The earliest forms of government were not democratic'. Justify the statement**

Ans. The earliest forms of government were not democratic as:

1. People's participation was limited to small minority.
2. Men who owned property and were educated could vote.
3. Countries were governed by the rules and regulations made by such men.
4. The women, the poor, the property-less and the uneducated were not allowed to vote. This practice was unfair.

Therefore, the earliest forms of governments were not democratic.

**8. What do you understand by the term 'government'? List five ways in which you think the government affects our daily life.**

Ans. The system by which a state or community is governed is called the government. Five ways in which government affects our daily life are as follows.

1. Government ensures a proper supply of drinking water.
2. Government ensures a proper supply of electricity.
3. It makes schools, so that most of the children can get education.
4. It makes hospitals which treat patients either free of cost or at a nominal cost.
5. In case of natural calamity, the government provides relief to the affected people.
