SECTION B

Very Short Questions

Q4. India is a vast country with regions of snow, deserts, heavy rains, and plains. How do you think people's clothing changes depending on where they live?

Answer: People's clothing changes with climate. They wear woollens in cold areas, cotton in hot regions, and raincoats in rainy places.

Q5. *"Some people believe that planting trees only on special occasions does not make a big difference."* Do you agree or not? Give one reason.

Answer: Yes, because trees need regular care. /No, because planting is still important to increase greenery.

SECTION C

Short Answer Based Questions

Q6. *"With the growth of mobile phones, computers, and the internet, technology has become an important part of our daily lives."* What is the role of technology in modern families and communities?

Answer: Technology has both positive and negative effects on modern families and communities as:

1. It helps us to stay connected with each other through social media and messaging apps.
2. It provides access to information and education.
3. It can also create distractions and reduce face-to-face interactions.

Q7. *"The continents cover most of the land on Earth, but there are also smaller landmasses completely surrounded by water."* What are such landmasses called? Does India have any of them? Discuss.

Answer: The smaller pieces of land that are left out of the continents are surrounded by water from all sides are known as islands. India has more than 1,300 small islands. Those islands are part of two major groups—Andaman and Nicobar Islands in the Bay of Bengal and Lakshadweep Islands in the Arabian Sea.

SECTION D

Long Answer Based Questions

Q8. India produced the finest cotton in the world for a very long time. This led to the export of Indian textiles as far away as Europe. How did Indian textiles impact 17th - century Europe?

Answer: Indian textiles impacted 17th -century Europe in the following ways:

1. Indian cotton textiles, especially 'chintz,' were very popular in Europe.
2. People in Europe loved the colorful and printed fabrics from India.

3. This hurt the local textile industries in England and France.
4. So, they banned the import of Indian chintz to protect their own cloth makers.
5. It showed how famous and important Indian textiles were in the world.

SECTION E

Source Based Questions

Q9. Read the source given below and answer the following questions.

Ramesh lives in a small village. Every morning he helps his parents in farming before going to school. On weekends, he joins the community in cleaning the village pond. Recently, the Gram Pan chayat started a literacy campaign where Ramesh also helps the elders to learn reading.

A. Which types of activities are performed by Ramesh? Why?

👉 **Ans.** Non-economic, because he works without wages for family and community.

B. How is Ramesh applying the value of dignity of labour in his life?

👉 **Ans.** He respects all kinds of work and does them willingly.

C. Suggest two ways the community can support Ramesh in his contribution.

👉 **Ans.** 1. The community can encourage and motivate him through recognition or appreciation.

2. They can provide resources such as books, teaching materials, or tools to make his efforts more effective.
