

**BCM School, Basant Avenue, Ludhiana**

**Class VII English Assignment**

**Answer Key**

**Literature Section**

**Ans3.**

(a) Children use trees for their games. They make tree houses and play “hide and seek” behind the trees.

(b) In the poem ‘Trees’, the mothers look at the trees and say “What a lovely picture to paint!”

**Ans4.**

(a) Golu, a baby elephant, always had questions in his mind. He asked his aunt ostrich why she did not fly as other birds do.

(b) Mr Gessler complained that the big firms didn’t value the money of the customers. They were capturing the markets from advertisements and not from the quality of their work. He was mostly out of work because of those firms and day by day the volume was getting reduced.

(c) The grown-ups are likely to tell the children not to talk while their mouth is full of food.
