2.	Which period in French history is known as the Reign of Terror? Give reasons	2										
3.	Analyze the events and effects of the February Revolution 1917.	5										
4.	<p style="text-align: center;"><b>MAP SKILL - BASED QUESTION (2marks)</b></p>											
	<p>Two items (A) and (B) are shown in the given outline map of France. Identify these items with the help of the following information and write their correct names on the lines marked on the map.</p> <div></div>	2										
	<p>(A) Name the city from which the name of the National anthem of France is inspired. (B) Port city owed its economic prosperity to the flourishing slave trade</p>											

	<b>SECTION- B (GEOGRAPHY)</b>	
5	<p><b>Read the information given below and select the correct option:</b>  Geeta lives in the area of one of the most recent landforms in India. According to geology, It is the most unstable landform in the country. Which physiographic division is she living in?</p> <p>(a) The Himalayan Mountains      (b) The Northern plains  (c) The Island      (d) The Great Indian desert</p>	1
6	<p><b>Read the source given below and answer the questions that follow:-</b>  Winter is the coldest season in India, especially in the northern and northwestern regions, where temperatures often dip below 5°C. The season is dry and clear, with the absence of monsoon rains. In the southern regions, the weather is much milder, and temperatures remain above 20°C. The northern areas experience fog and mist, while the southern areas have more comfortable weather conditions due to the moderating influence of the ocean. Humidity levels tend to remain higher in the southern regions compared to the north, which experiences dry air. Southern India also does not face any snowfall or fog, making its winter season considerably more temperate compared to the harsh cold in the north.</p> <p>6.1 What weather phenomenon is common in northern India during the winter season? (1)  6.2 Why can a city in northern India have temperatures below 5°C while a city in southern India remains above 20°C at the same time?(1)  6.3 Considering agriculture, which region's winter is more favorable for crops—north or south? Give reasons.(2)</p>	4
7	Evaluate the importance of Rivers in the socio-economic and cultural life of India.	3
8	<p><b>MAP SKILL - BASED QUESTION (2marks)</b>  On the political map of India locate and label any two of the following with suitable symbols.</p> <p>(i) Capital of Karnataka  (ii) Aravali range  (iii) Chilika lake</p>	2
	<b>SECTION- C (POLITICAL SCIENCE)</b>	
9	<p>Which one of the following is an advantage of electoral competition?  (i) it provides incentives to the political parties and leaders to raise issues that people want to be raised.
