SESSION – 2025 -26

ASSIGNMENT

SUBJECT-EVS

CLASS - III

TOPIC- CH – 7 Water – A precious gift

DATE- 6-11-25

I.	<b>Tick the correct answer.</b>	
1.	<p>Which of these needs water to stay alive ?</p> <p>A Only humans</p> <p>B Only animals</p> <p>C All living things ✓</p>	
2.	<p>What will happen if it does not rain for many months ?</p> <p>A Water will increase</p> <p>B Water sources will dry up ✓</p> <p>C New rivers will form</p>	
II	<b>Circle the odd one out and give reason.</b>	
1	<p>Well.                  Sea. ✓                  Tubewell.                  Hand pump</p> <p>Reason - <u>Others are sources of underground water</u></p>	
2	<p>Stream.                  River.                  Jug. ✓                  Pond</p> <p>Reason – <u>Others are water bodies.</u></p>	
III	<b>Answer the following question</b>	
1	<p>Why ocean water is salty ?</p> <p><u>Because It contains dissolved salt from rocks and soil.</u></p>	
2	<p>What happens if there is no rain for a long time?</p> <p><u>There will be a shortage of water called drought. .</u></p>	
Ans		

3 How can we reuse water at home ?

Ans We can reuse water used for washing fruits and vegetables to water plants

---

IV

**Give reason**

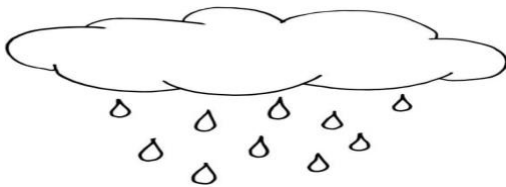

Anil noticed that the water in a puddle disappeared after two sunny days. Why did the puddle water disappear ?

Because the water evaporated due to heat

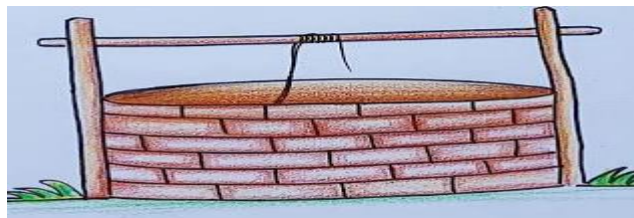

V

**We get water from different water bodies. Draw and label**

**Two natural water bodies**

**Two man made water bodies**

VI

## Case Study.

During a science lesson, the teacher asked, “Can we live without water?” The class replied, “No!” The teacher explained that water is a gift from nature that helps all living things to survive. The children promised to always save water and keep it clean.

1 What did the teacher call water?

Ans Gift of nature

2 Why can't we live without water?

Ans Because all living things need water to survive

3 Write True or False

A We should not waste water . \_\_\_\_True\_\_\_\_

B Rivers are the main source of water. \_\_\_\_False\_\_\_\_
