Q1. Unseen Comprehension:

The Little Bird's Big Adventure

Lily loved to sit in her garden and watch the birds. One sunny morning, she saw tiny brown bird with a bright yellow beak. It was hopping on the grass, looking for worms. Suddenly, a big, fluffy white cat with green eyes quietly walked towards the little bird. The bird was busy and did not see the cat! Lily knew she had to help. She clapped her hands loudly. "Shoo, cat!" she called out. The cat was surprised and quickly ran away. The little bird flew up into the air, chirping happily. It landed on a branch of the apple tree and looked down at Lily. Lily smiled. She felt happy that she could help a little friend.
