Summer Holiday

Hurray!!!The Summer Holidays are here...It's time to take a break, sit back & enjoy a few weeks on holiday! To keep the little ones engaged & be in touch with the learnings done in the class, the Summer Holiday Activities are designed with a motto of "Fun & Learn".

So, Parents, let them put their thinking caps and get their imagination going. Please take the printout of worksheets and activities. Let us all help them be more confident and independent.....

Happy Holidays!!!

SOCIAL & EMOTIONAL SKILLS

Care and concern –

- ❖ Water the plants daily.
- ❖ Feed the birds & stray animals with grains, food and freshwater.
- ❖ Learn to Listen.
- ❖ Have at least two meals together with your family. Parents should teach them the hard work of farmers & ask them not to waste the food.
- ❖ Take your own plates after every meal and learn the dignity of labour.

SCIENCE EXPERIMENT

FLOATING

Floating is a fun science concept for children to explore. It invites the children to play, experiment and explore how and why different objects float into the water.

- Ensure that child must observe the whole experiment.

ZUMBA of TIME

- **Watch the video and start your day with the exercise**
