Once upon a time, in a small village surrounded by green hills, lived a kind-hearted boy named Rohan. Rohan loved helping others and was known for his cheerful smile. One day, while walking in the forest near his home, he heard a faint cry. Curious, he followed the sound and found a small, injured bird lying under a tree.

Rohan gently picked up the bird and carried it home. He cleaned its wound and made a cozy little nest using a basket and some soft cloth. Every day, Rohan fed the bird and made sure it was comfortable. Slowly, the bird grew stronger.

One sunny morning, the bird flapped its wings and flew around the room. Rohan smiled, knowing it was time for the bird to return to the wild. He took the bird to the same tree where he had found it and watched as it soared into the sky, chirping happily.
