

**BCM SCHOOL, BASANT AVENUE, DUGRI ROAD, LUDHIANA**  
**CLASS VI**  
**ENGLISH ASSIGNMENT 1**

**LITERATURE**

**1.**

**Read the extract given below and answer the following questions.**

**(i) Where did the bird live at first?**

**(ii) What did the bird believe the world was made of?**

**(iii) Why do you think the bird thought the world was small and round?**

**(iv) How did the bird feel about living in the living house?**

**(i) The bird lived in a little house at first.**

**(ii) The bird believed the world was made of a pale, blue shell.**

**(iii) The bird probably thought the world was small and round because it only knew the space inside its egg, which is limited and curved like a shell.**

**(iv) The bird felt that it lived very well in the little house.**

**2. Answer the following questions in 30-40 words.**

**a) The bird thought that the world was made of leaves because it saw leaves all around itself.**

**b) Daadi's final advice to Vikram and Vaibhavi was to go into the kitchen and search for the herbs and seeds mentioned and use them under the supervision of an elderly person.**

**c) Measles creates a lot of itching in the individual, therefore doctors advise the patient to lie on Neem leaves. Neem leaves have the chemical property to destroy germs and stop their breeding. Thus it gives comfort to the patient.**

**3. Descriptive question**

**The letter highlights the importance of passing on traditional knowledge about healing properties of spices across generations. Grandmother conveyed home remedies for certain cures which are available in our kitchen. These remedies have no side effects and can give us some relief before we move to consult a doctor.**
