ENGLISH ASSIGNMENT- 3 CLASS- III

“I wish I had that whistle,” he said. The big boy looked at him and blew it again, Oh, what a pretty sound it made! “I have some pennies,” Benjamin said to the boy. He held them out in his hand. “You may have them if you will give me the whistle.”

“All of them?”

“Yes, all of them.”

“Well, it is a bargain,” said the boy. He gave the whistle to Benjamin and took the pennies. Little Benjamin was very happy. He ran home as fast as he could, blowing the whistle as he ran.
