	   Sheep **Elephant**

IV	**Case Study-** **Rohit was playing in the park after school. He saw a small dog sitting near a tree. Some children started throwing stones at the dog and shouting at it. The dog became scared and ran away. Rohit remembered what his teacher had said in class—that animals feel pain just like humans. He told the children to stop teasing the dog. Then he gave the dog some water. The dog felt safe and wagged its tail.** **Rohit learned that we should be kind to animals and never tease or hurt them.**

Q1	**Where was Rohit playing?**
Ans	**Rohit was playing in the park.**
Q2	**How did the dog feel?**
Ans	**The dog was scared.**
Q3	**What lesson you learn from the above case study?**
Ans	**That we should be kind towards animals.**
